Dear Parents / Carers,

Thank you to everyone who came to Parents' Night and also to our Sports Day, it was amazing to see so many of you and to finally allow you to share in your child's learning face to face. You are welcome at our Awards Ceremony on 21.06.22 at 9:15am. Please collect a free ticket from the Office this week. You need a ticket to get in. We hope to see many of you there.

As you are aware, the class lists have been given out so that you know who the staff are in your child's class next year. Your child will have an opportunity to meet their classroom team twice over the next 2 weeks. An update on the vacancies and staffing for next session is as follows: Miss Black is now permanent within the school. Mr Flanagan will take P2 next session for the year. Mrs Yeates has been given the permanent job share for Mrs McBrearty and so she will be teaching P5 on a Thursday and Friday. We are delighted to have a stable staff for next session and we have been given an additional teacher who will share P7b with Mrs Nicholson to allow her to support Numeracy across the school.

We say goodbye to Mrs Coulter at the end of the session, we wish her well on her new journey of retirement and we will all miss her. If you want to contribute to a present from the children, please send any money into the Office before Friday. We would also like to welcome our new Depute Head Teacher, Mrs Embleton who was successful at interview last week. I am sure you will join me in congratulating Mrs Embleton in her new role and thanking Mrs Coulter for all she has done for our school.

In August, we will be going back to basics in Miller and we would appreciate your support in reinforcing the wearing of school uniform every day and sending in a PE kit including soft shoes for gym. You can purchase school uniforms from Castle Print who are based in the Glendale business centre near the Castlemilk Swimming Pool.

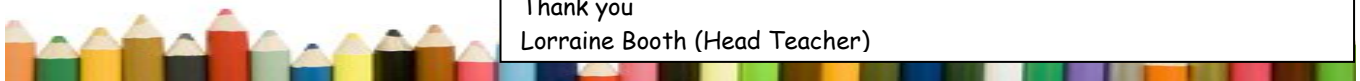

We would also like you to remind your child of our school rules of safe, ready and respectful and work with us on supporting your child if they are not being safe or respectful in school. All children have the right to play safely in school. Together we will succeed in helping our children to live our values in school and at home. There is and always has been a Zero Tolerance policy to violence in the school and as such we will inform you if your child has not followed this policy. Thank you for your co-operation with this.

The Parent Council have organised and paid for a Funday for the children on the 23rd of June from 11:00. As the fun day will go over lunchtime, can we please ask you to provide your child with a packed lunch on that day or order one from Parent Pay by the end of this week. We hope the weather will be good and that all the children will have fun. The day is for children only and we would like to thank the Parent Council for all their hard work and dedication to our school.

Finally, we would like to wish you all a safe and happy summer break when it comes and we wish all our leavers all the best in their journey through High School, we will miss all of them.

Thank you

Lorraine Booth (Head Teacher)

Important Information

Fun Day

The Parent Council are organised the Fun day where the children and staff can get together and have fun outdoors. This event will only be for the children as we need to limit numbers to ensure that all children feel fully included as some of our children experience distress with large crowds and others felt upset when family members were not able to come to previous fun days to be with them. The fun day will be on **23.06.22 and the children can wear their own clothes that day. We would ask that all children bring a packed lunch with them or you order a packed lunch on Parent Pay to allow the children to continue to play over lunchtime.**
